

KIERAN GOSS

LIVE AND SOLO

IRISH TOUR NOV / DEC 2010

Kieran Goss has long been hailed as one of Ireland's leading songwriters and performers. Over the last twenty years he has quietly and consistently delivered songs of rare quality and his wonderful, deceptively simple melodies have won him fans across the globe. But while his albums have made him a star, his live shows have made him a legend; live on stage is where Kieran Goss truly shines.

2010 has been a busy year for Kieran Goss with tours in Germany, Switzerland, the U.S.A, Canada and the U.K. And because his increasing commitments abroad mean that he's spending less and less time at home in Ireland, Kieran is particularly looking forward to his forthcoming 'Live and Solo' tour on home turf:

This year has been really hectic, but I'm excited about the opportunities that are being offered to me, particularly in the States and Canada. It looks like we'll be spending a lot of time there next year as well, but you know, I'm always glad to get home again. I love touring in Ireland and it's been a long time since I've toured solo, so I'm planning on playing a few of the old songs that I don't get a chance to do with the trio when we're on tour abroad and also some new stuff I've been writing for the next album.

Anyone who saw Kieran on his last sold out tour in Ireland two years ago will testify that his show is an evening of great songs sung from the heart and more... it's an unforgettable and uplifting night out.

The sense of fun is tremendous, the playing first rate and the songs are sheer quality. The encores were genuine, but only because the man is too.
The Irish Times

I've toured with Kieran and watched him perform many times. I've seen him win the hearts of everyone in the room, not just with his great songs and instinctive musicality, but with his warmth and humour. It's the performance of an artist at the top of his game, delivered with intelligence and integrity... Kieran Goss is one of Ireland's national treasures. Rodney Crowell
