

KIERAN GOSS

LIVE AND SOLO

U.K. TOUR APRIL-JUNE 2011

Kieran Goss has long been hailed as one of Ireland's leading performers and songwriters...

In addition to being a double platinum selling recording artist, Kieran Goss's songs have been recorded by some of Ireland's top recording artists, including Mary Black, Christy Moore and Frances Black, bringing his songs to a worldwide audience and winning him fans across the globe.

While his songwriting has made him a star in his native Ireland, his live performances have made him a legend. Live on stage is where Kieran Goss truly shines. The Irish Times recently wrote of Kieran's run of sold out shows at the Grand Opera House, Belfast: *"The sense of fun is tremendous, the playing first rate and the songs sheer quality. The encores were genuine, but only because the man is too"*.

In 2007 Kieran toured in the U.K. with Don Williams. His performances on that tour won him legions of fans and prompted the American country music legend to remark: *"Kieran Goss is one of the most gifted performers around today. He has an amazing ability to reach out to his audience and connect with them in a very special way. This guy is the real deal and that's what makes him the star he is"*.

Following the success of his solo U.K. tour in October 2010, Kieran returns to the U.K. for an extensive tour in April, May and June 2011. **For more information, see www.kierangoss.com**
