KIERAN GOSS

LIVE AND SOLO

Long hailed as one of Ireland's leading songwriters and performers, Kieran Goss's music has won him fans across the globe. In February 2010, Kieran's new studio album, *I'll Be Seeing You*, along with his considerable back catalogue, was released for the first time in the U.K. to huge critical acclaim. But while his albums have made him a star, his live shows have made him a legend. Live on stage is where Kieran Goss really shines. In the words of Rodney Crowell, a longtime friend and collaborator:

"I've toured with Kieran and watched him perform many times. I've seen him win the hearts of everyone in the room, not just with his great songs and instinctive musicality, but with his warmth and humour. It's the performance of an artist at the top of his game, delivered with intelligence and integrity... Kieran Goss is one of Ireland's national treasures."

Kieran will be returning to the U.K. for a short tour in November/December 2011. Don't miss this chance to see him live in concert.
